

## **Peripatetic Assessor/Internal Verifier**

As a Scottish Qualifications Authority (SQA) approved assessment centre we have a long record of achieving high grades for our delivery methods across awards in social care and childcare, including Vocational qualifications and Professional Development Awards.

We work with a variety of organisations from education centres to statutory, private and voluntary organisations providing services in social care and childcare. The quality of our assessment processes, and the support we offer to candidates, has been fundamental to our success for over 35 years.

We are currently looking for a qualified Peripatetic Assessor (L&D 9DI) and/or Internal Verifier (L&D 11) to join our social care team.

This role would suit a variety of applicants seeking to earn on a self-employed basis at a capacity that suits them. You may already have a part time role and be looking for an additional opportunity to develop your career; you may have family commitments that mean you have limited time available or be approaching retirement but be keen to continue to work flexible hours.

The role provides an opportunity to continue to develop knowledge and understanding around the assessment process as well as the skills required to motivate and support staff in their professional development.

Experience working in adult social care services and the necessary qualifications to register with the SSSC are essential. We offer competitive rates of pay - £15 to £18 per hour for assessment and £20 per hour for IV.

If you are interested in working with us and would like to find out more, please get in touch with the Head of our Adult Social Care Department, Deborah Hughes [deborah.hughes@fcscotland.org.uk](mailto:deborah.hughes@fcscotland.org.uk)
