Learner Feedback

Social Services (Children and Young People)

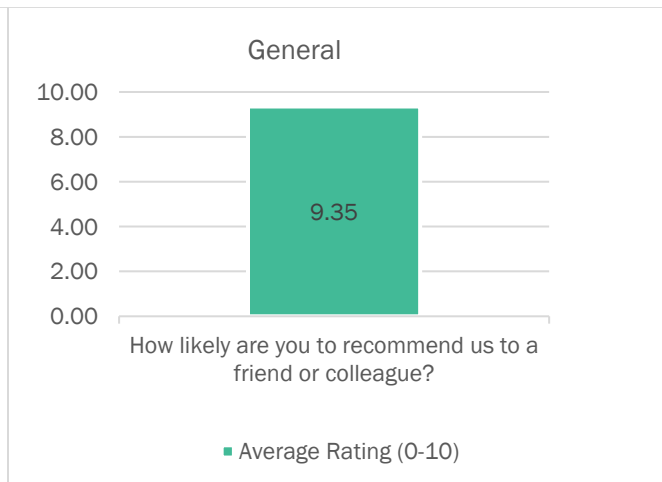

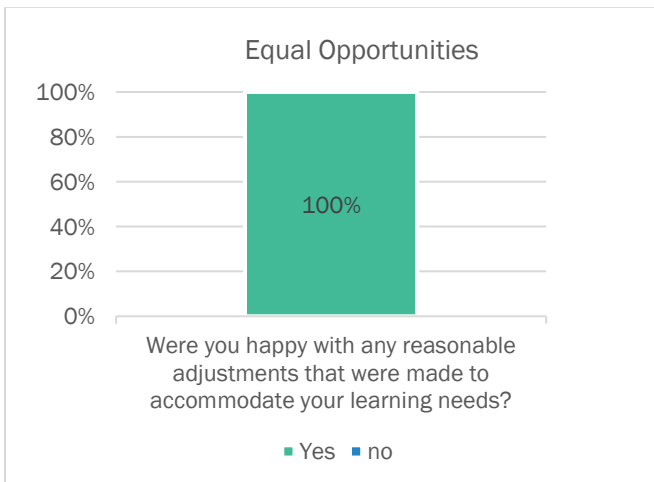

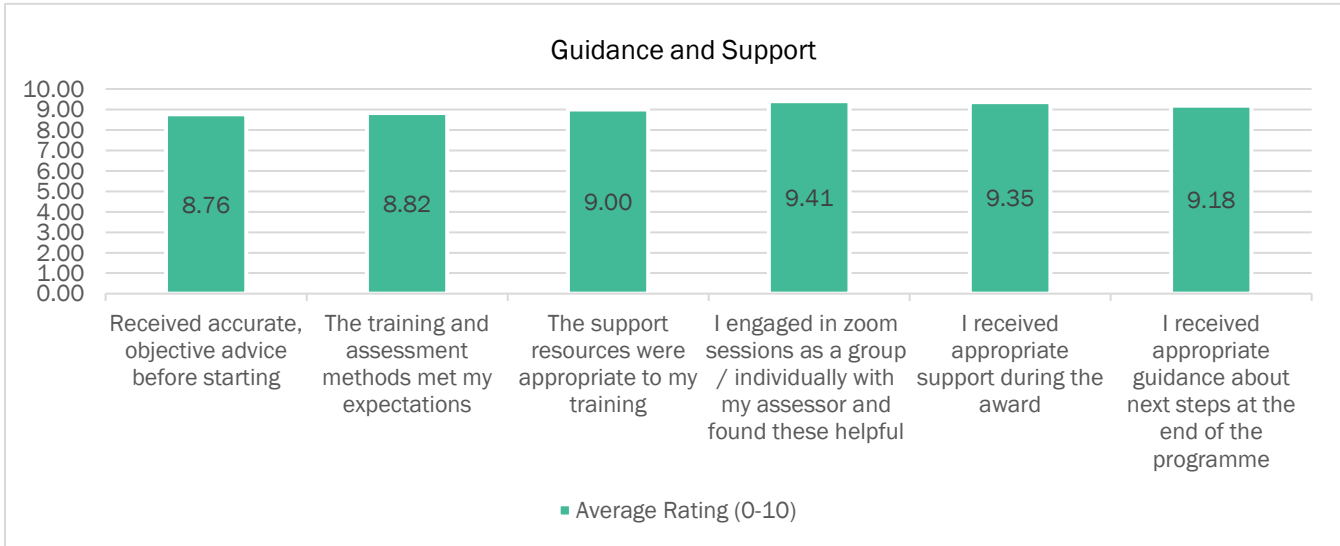

Something your Assessor did well:

"Personable, encouraging, calm and organised. Always made me feel better about how I was doing"

"Always supportive and encouraging, setting goals and targets kept me motivated."

"Very good at explaining. Great patience. Very good communication and support, especially for my ADHD. Had the ability to take fears and anxiety away."

"Her support was amazing and she was always available for help."

Testimonials

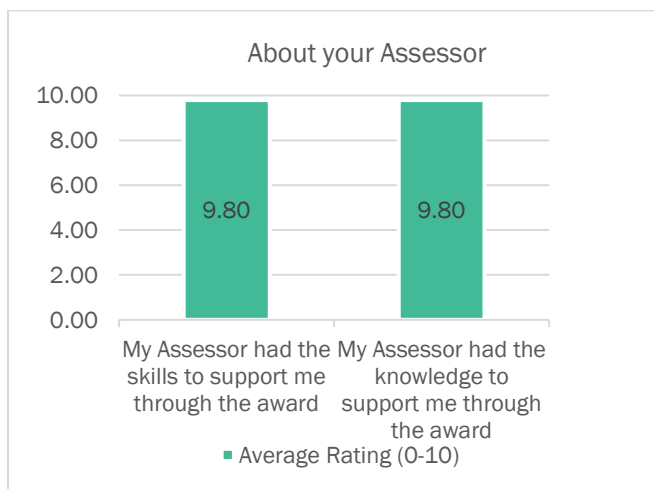

"TFC are a great organisation supporting people to achieve their qualifications with kind and helpful tutors who assist you reach your goals. They are good at recognising when you need more attention and talk through what you need to continue."

"I highly recommend anyone who is interested in child care to take this course. It is such a practical course that is related to my daily work in the nursery closely. I also believe that even if I was not working in the childcare setting, the knowledge I got from the course is also very helpful for me as a mother to give better care for my own child."

"I feel very confident now. And believe in myself much more now i have managed to achieve and work hard on this course."

"My experience has been great"

Social Services and Healthcare

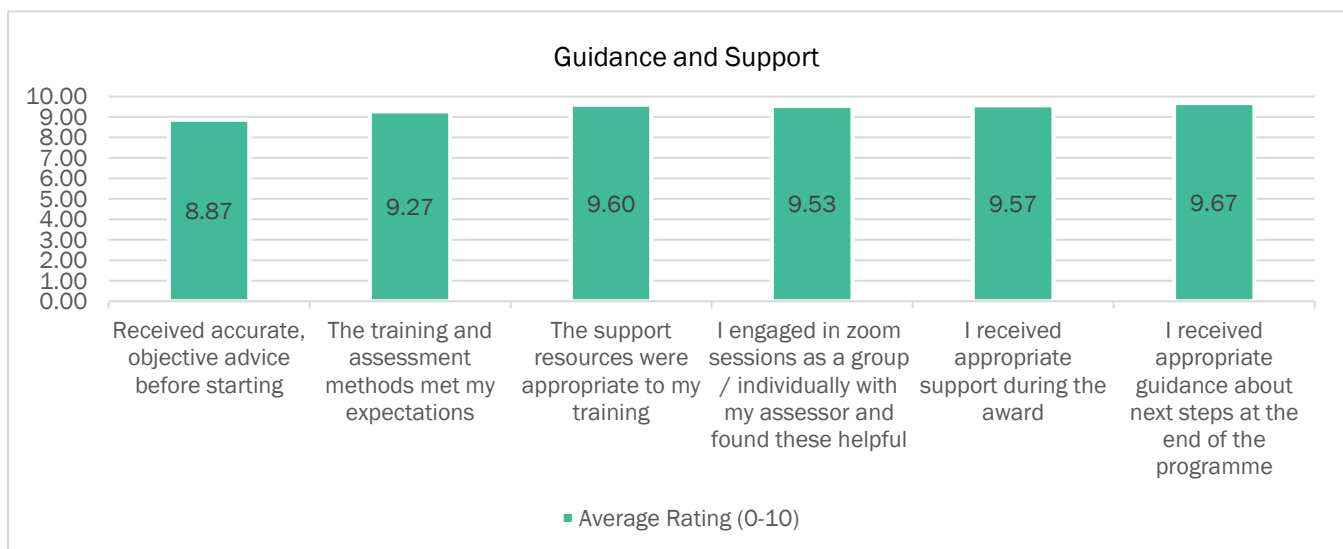

Something your Assessor did well:

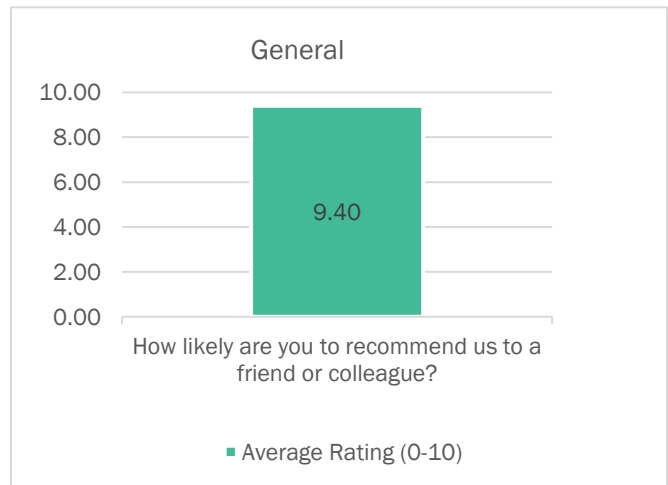

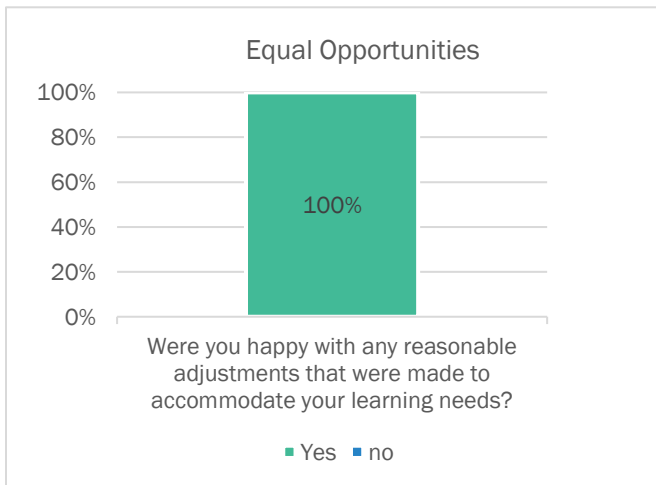

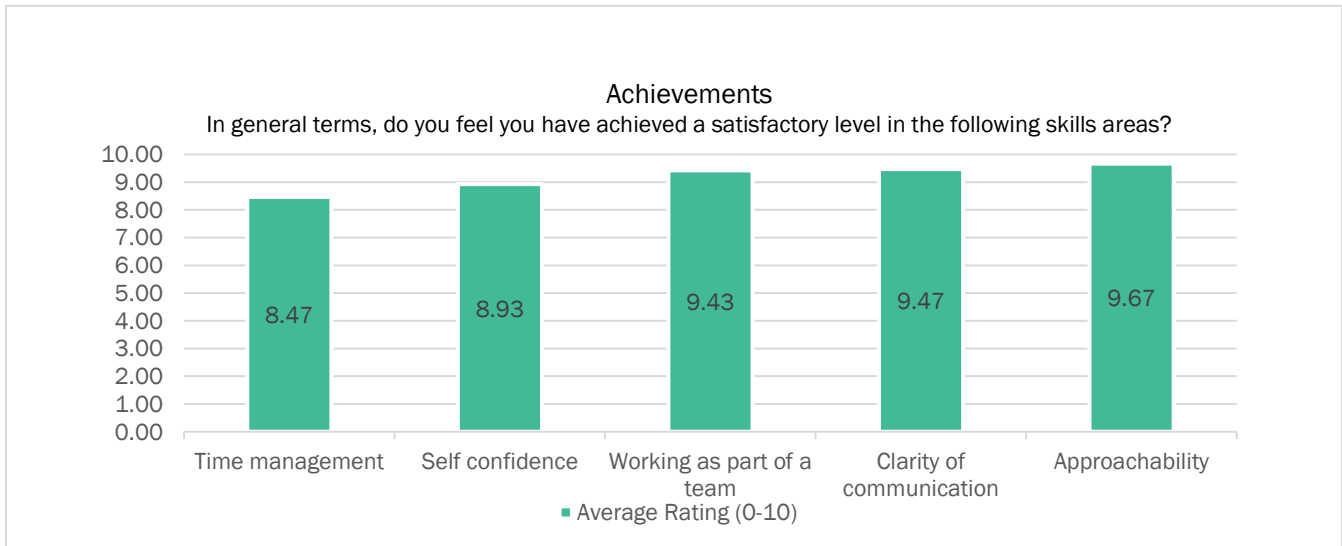

"She was very supportive throughout and I appreciated how understanding she was throughout."

"Kept in touch regularly and support me well throughout my learning."

"My Assessor was very friendly and approachable. All her support was great."

"My all experience was fantastic. My assessor was very approachable, supportive, kind and patient."

Testimonials

"I actually learnt a lot about good practice and policies and enjoyed writing about the different units. It helped me a lot to build my confidence and be more aware of my skills and progress. I have just completed my course with Training for Care (Edinburgh) and I am so pleased, my tutor, Sarah, helped me a lot as I have been through a rough time this year. I am so grateful. I like a lot that is not about just the theory, I could write from personal experience and using my own words. Definitely would recommend TFC."

"From day one I connected with my tutor, she was professional, knowledgeable and pushed me to my limit which I gained new skills, knowledge and understanding within my work role."

"I feel I learned a lot in this course."

"I had all the support I need to get me where I am today from start to finish."

"My assessor was so supportive and committed in helping me finish my SVQ2 qualification. I am very pleased with the guidance and support I have received throughout."

Employer Feedback

Social Services Children and Young People

Further Comments / Testimonials

- Great support for another of our team. Thank you.
- We have been using training for care for many years now and we think you as a company are great.
- [the assessor] was fantastic and very supportive.
- We used Training for Care as our first choice for training within our setting and we now have 5 qualified members of staff which we are delighted with.
- During the pandemic Training for Care continued with the support to all our team members that were completing a course. The enthusiasm did not falter and our assessor's dedication to help us through was above and beyond. All our staff members have now completed their courses.

Further Comments / Testimonials

- [candidate] is a very self-motivated staff member so he was very independent in his completion of studies, i feel that his studies has expanded his knowledge and has improved his practice
- [Candidate] spoke highly of his assessor and their communication throughout the process
- [Candidate's] confidence improved greatly with her second assessor.
- We've used Training for Care to achieve multiple qualifications for both support workers and at management level. Their assessors have been knowledgeable, organised and communicative. We hope to continue to work with them in the future.
